

# TECHNOLOGY READINESS LEVEL OF THE PLATFORM

March 2025

## Technology Readiness Level (TRL)

- TRL 1—Basic principles observed
- TRL 2—Technology concept formulated
- TRL 3—Analytical and experimental critical function
- TRL 4—Product validation in laboratory environment
- TRL 5—Product validation in simulated environment
- TRL 6—Product demonstration in simulated environment
- TRL 7—Product demonstration in operational environment
- TRL 8—Actual product completed and qualified

## Timeline

2024 RELAUNCH  
WITH INNOVATIVE  
TECHNICAL PARTNERS
